Our ref.: NPC26008 ESC61-EMC61 obsolete

Subject: Notification of Change to:

ESC61 – EMC61

Dear Customer,

In the process of continuous improvement to the quality, reliability and competitiveness of our products it is necessary to make occasional updates or changes to one of our products.

Details thereof are given in this letter and/or attachment. We would be happy to answer any queries you might have.

Change Category

☐ Minor Change	☒ Major Change
☒ End of Life Notification / Product obsolete	☐ Datasheet specification Change
☐ Design Change	☐ Ordering code Change
☐ Material / Component Change	☐ Process / Manufacturing Facility Change

Description of Change

The absolute encoder series ESC61 (singleturn) and EMC61 (multiturn) are entering their final lifecycle stage and will no longer be available for order.

Change Effective Period

This change will be effective from the date of this document.

Customer Impact

☒ Customer should verify this document.	☐ Customer should verify impacts on mechanical or electrical interface
☐ Sampling, testing & approval is recommended.	☒ No direct alternative available. Please contact your sales representative

Please consider the R.EHM58C series with Ø15mm hollow shaft (instead of Ø20mm) as an alternative product.

You are welcome to address your sales engineer for technical issues, and certainly our sales assistants for any ordering issue.

Best Regards
